

UAI DESIGN PROCESS

SITE & ZONING ANALYSIS

UAI's knowledgeable staff, familiar with zoning and building codes, will help to identify the site's feasibility.

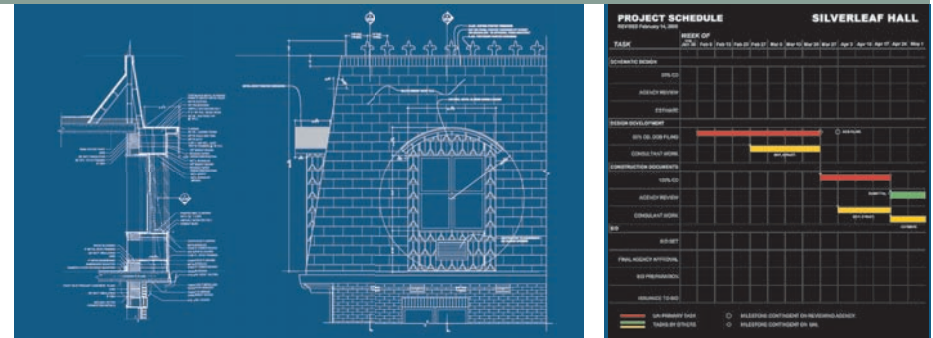

PROGRAM & SCHEMATIC DESIGN

With the client as an integral part of the process, UAI works with the program and site to envision a design concept. The concept is then refined to the schematic stage through interactive process with all participants.

CONSTRUCTION DOCUMENTATION

UAI thoroughly coordinates drawings and specifications with its consultants to deliver accurate and efficient bid documents on schedule and within budget.

CONSTRUCTION ADMINISTRATION

Bringing concept to reality, UAI oversees construction to insure that the project stays within budget and on schedule while maintaining the highest quality in workmanship.
